

June 2008

Dear Big Mrs. Mary-Ann and Lil' Mrs. Mary-Ann,

From our very first dance class to our very last, we have learned many things, had loads of fun, and made memories that will stay with us for the rest of our lives. This studio has been more than just a dance studio to us. After spending night after night here, it quickly became a home away from home. We learned more than just dance steps and routines; we learned life lessons that we will use throughout our lives.

Dance shows, conventions, rehearsals, and recitals have burned memories into our minds and hearts that will never fade away. Like all the times one by one we would hide behind the rooftop sets in ballet to see how long it would take Big Mrs. Mary-Ann to notice we were missing. We all grew up together here, and it is difficult to say goodbye to something we have known for so long.

You both have always been there and have been like second mothers to us all. Sweat, tears, smiles, falls, laughs, bumps, bruises, and accomplishments have made us who we are today, and we have you to thank. So the seniors of the Class of 2008 got together to get you a little something to remember us by and to show our appreciation for all you have done.

**Sincerely,
The Class of 2008:
Alicia, Brianna, Madison, and Lexi**
